

## **Volkswagen Workshop test 2017**

RE: Participation in our Workshop Test program 2017

We at Volkswagen Passenger Cars Malaysia (VPCM) are continuously assessing our dealers for the level of service given to you. Workshop Test is a programme and tool used to evaluate the level of quality work and service. We therefore invite you to partner with us in this year's nationwide Workshop Test

Your participation and support will help us to improve the quality level of our Volkswagen workshops! To participate in this Workshop Test is very simple – all you need to do is submit your car if you meet the criteria below: -

- Your car is not older than 7 years
- The mileage is below 210,000km
- No modification (ie: rims, exhaust system, engine)
- Full service at authorized service dealers
- Car must be in generally good condition
- Must be due for service in the next few months

Note: This is a free initiative and all service costs\*\*\* will be borne by Volkswagen.

To participate, fill in the necessary data, sign and scan it to [workshop.test@vw.com.my](mailto:workshop.test@vw.com.my)
